#### SUMMER

Summer the world brings to mind, becomes full of people laid out like so many sacrifices to the sun times in the cool verdant mountains, and a break from the seemingly endless monorony of school daze. For some students it's a chance to work and save money, to others an endless party time. But for some of our students (see pictures 1, 2, 3, 4) it's a chance to go to special schools. Seven students from EHHS received the honor of attending different state run schools for people who seem to show special talents or readership abilities, and who apoly. Christi Whitmire and Chantal Wittman attended Girl's State. Tommy Justus attended Boy's State, and Lisa Vitale, Lisa Ray, and Mary Lynne. Price attended Governor's School this summer. Hopefully East will continue this reward of excellence in the years ahead.

The 1980 1981 Eagle track team had a successful season last year with some individual members doing an ourstanding job. Both the boys and girls won the Henderson County Meet to continue their undefeated record in this meet along with winning various Dual Meets. Senior Mark Williams went to Western Regionals to place fourth in the discus, while Junior Gary Pryor made every Eagle proud as he placed first in the Western Sectionals, finished in the top three at Western Regionals, took seventh place in the state, and tied the school's pole vaulting record of 13'6'. The girl's mile relay team went to the Western Sectionals and their Most Valuable Team Member.' Karen Thompson walked away with many honors, including Conference Champion, All Conference, runner up in the W.N.C. Minor Sports Female Athlere of the year, and received an honorable mention for National High School All

It was definitely a year of Eagle pride!

### WEHS

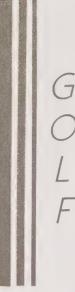

GYMNASTICS S H O W

"WEHS IN HENDERSONVILLE" was the theme of the 1980 1981 gymnastics show. With DJ "NAVY DAVY" Nix, Melanie Boger as Loni Anderson, and Stoney Lunsford as Kenny Rogers. The only thing the show needed was gymnasts, and those were amply provided. Awards were: Most improved — Vicki Laughter and Ricky McCall, Balance Beam — Shirley Hamilton, Uneven Bars — Lisa Summey, Floor — Amanda Johnson, and Most Valuable — Sam Stepp and Greg Warren. Mrs. Whitmire and Coach Morgan put in valuable time and hard work in helping our show turn out to be a great success.

Group left to right: Brian Williams, Phil Nickell, John Hill, Phillip Walker, Randy Jones. Not pictured: Jeff Robinson. 1. Phillip, 2. Randy, 3. Brian, 4. Phil, 5. John, and 6. Jeff.

#### V A R I S E H T O Y W

The 1981 Varsity Show was a huge success. The talent ranged from a southern rock band to classical music played on the piano, from dancers to singers. There was something to please everyone and all the acts were top-rate. East High is full of talent which was proven by all the participants.

#### MEMORIES OF '81.

On June 1, 1981 the campus of East Henderson High School came alive as the class of '81 made ready for their last grand entrance. The seniors waited patiently until they heard their names being called out. They took their diplomas and walked back to their seats, a smile on their faces. But the tears came when they had to say good-by to all their friends.

JR. SR. PROM '81

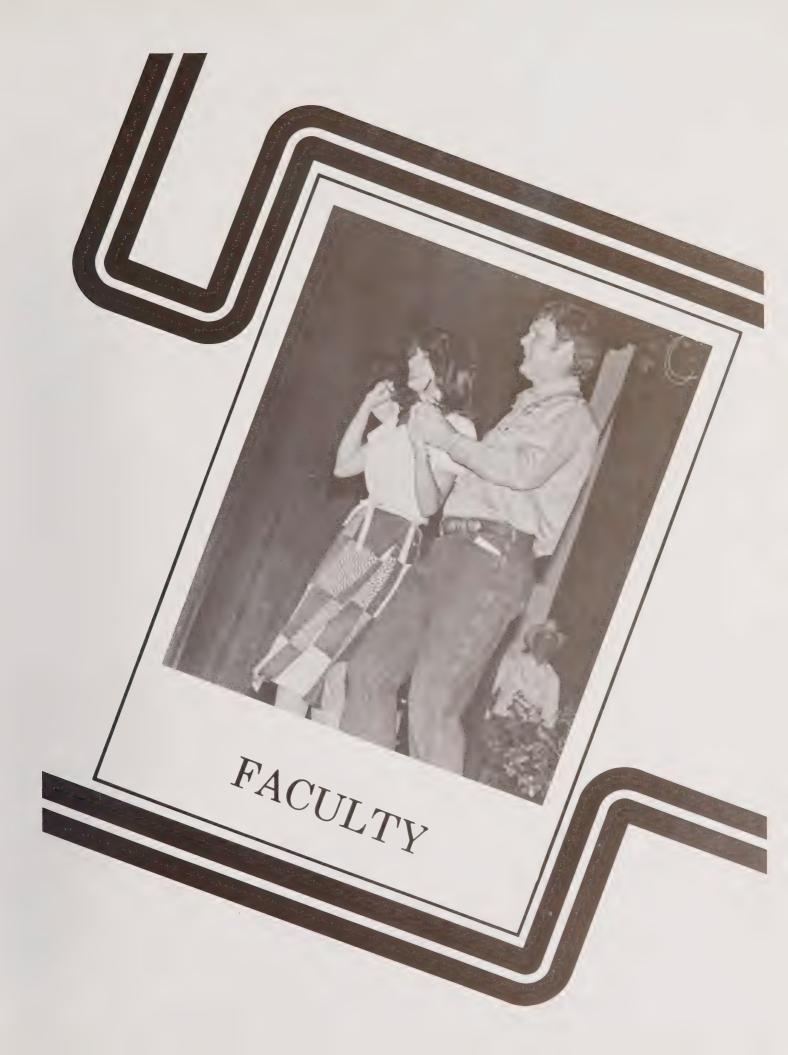

On May 2, 1981 at 8:00 p.m. approximately 300 people arrived at Grove Park Inn. The evening was definately "Black tie" with the ladies in formal gowns and the gentlemen in tux. Once again our Junior-Senior was honored to host the band, "Staircase." The guests danced and were served refreshments until 12:00 p.m. Then everyone departed ... for parts unknown.

#### CAMPUS LIFE

### IS THERE LIFE OFF CAMPUS???

Is there life after 3:00 pm? You bet there is! Henderson-ville is not known for its various recreational facilities, especially when it concerns reenagers, but that doesn't stop the students of East High from having a good time. The many hamburger emporiums in town can almost always be found spotted with Eagles getting a "hot-n-juicy" or "deserving a break today", and the Pizza Hut is still a favorite gathering place for students after football games. The adults of our fair city, though, aren't always very pleased with young people just "hanging

around" or "dragging Main Street" so some of us were driven to the woods! Many a night the most remote parts of our county were invaded by groups of people huddled together searching the woods and old houses for ghosts, returning with nothing but muddy shoes and a lot of funny stories. Or you could follow the train of cars down miles of dirt road to Deep Gap where everyone would gather around the bonfire or pile in the back of someone's truck for a modern hayride through the woods. We're not as country as it

sounds though for even a little town was caught up in the nationwide "video-game" craze. Many hours and quarters were spent in gamerooms playing Pac-Man and Space Invaders. "Did someone say PARTY!?" was another popular phrase on the East High campus. Some things never change, and if anyone mentioned the word "party" everyone came running! Occasionally the police would come running also to bust up the "rowdy and delinquet" crowd but were disappointed to find out it wasn't as wild as they had anticipated.

Unfortunately we couldn't get any photos of these massive gatherings but we're sure they won't soon be forgotten. It's been a good year all around.

Editors note: We tried to get a picture of McDonald's famous lawman, "Barney", but he refused to pose for the photograph.

### FADS"THE IN LOOK!"

### SPECTRUM 81

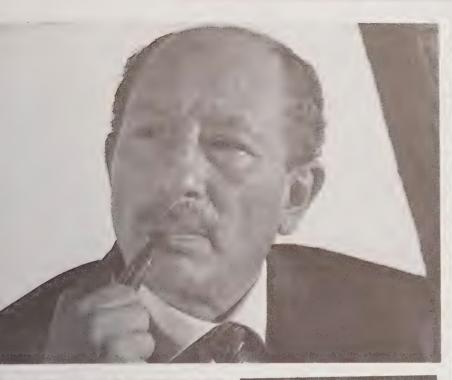

The spectrum of events in the year 1981 has been diverse. From the procession of a Royal wedding to the assassination of a prominent world leader. The Dodgers won the World Series and the Space Shuttle was launched as the world's first reusable space craft. Violence predominated many events as in the assassination attempts on President Reagan and Pope John Paul II.

East Henderson High was very fortunate in having two foreign exchange students. Cynthia Aguilar is from Costa Rica. Cynthia's interests are: dancing, listening to music, reading and talking. She is active as a member in AFS, Ski Club, NHS, and was a candidate for homecoming, escorted by Tony Cable. She likes the snow, since there isn't any in Costa Rica. She doesn't like okra but likes the polite people of the USA.

Cecilia Bostram is from Sweden. Her interests are: violin, basketball, gymnastics, skiing, dancing, and making friends. She is a member of Keywanettes, Deca, Ski Club, and AFS. She was also a candidate for homecoming, escorted by Aaron Gundersen. #### FOOTBALL '81

Although the Eagles were the County Champs for the third year in a row, 1981 proved to be a disappointing season. The team was supported and encouraged by a spirited student body but things just didn't click into place for the Eagles who ended the season with 4 wins and 6 losses. The team suffered a great loss when starting senior Russell Laughter moved. We did chalk up one very important win when we beat our cross county rivals the Hendersonville Bearcats 14-6. And with 15 returning offensive and defensive starters it looks like a promising season next year.

Quick! Quick! Quick! ... Pleeeaase!!! ... This outfit is playing like a bunch of crippled prostitutes ... Get off the dang ball ... Just one more time and we'll go home ... Stick'em ... What'a ya say, What'a ya say ... How'bout them Eagles ... That a baby, stick it in there ... Kill'em ... Meatsquad ...

In the hot gym about 3:45 every day you could see the East Henderson High School Volleyball ream practicing dive rolls and react drills. Trips to other schools seemed to highlight Tuesday and Thursdays. Sometimes we would take the ride to another school just for the fun of it. We were glad to make other teams happy giving them an easy win after three games of frustration. To save us from being depressed coming home, we would usually stop at the "Golden Arches" and nourish our bodies

Even though our record skyrocketed downward, to our dismay, we enjoyed the volleyball season; and all the different coaches we had!

The 1981-82 War Eagles Wrestling team consisted of: 1st row (I-r) Alex Westall, Scott Bradburn, Billy Shealy, Gene Miller, Marty Chapman, Tim Blackwell, 2nd row Jeff Glover, Tony Morgan, Mark Justice, Mark Willis, Mike Gilliam, 3rd row Robert Baumberger, Robert Jones, Roy Bibb

#### HIGHLANDER

STAFF

With only five returning members, the 1982 Highlander Staff was young and inexperienced. But with a lot of hard work we put out the best quality book we could. You can't please everyone all of the time, but we tried to produce a book different from those in the past and give the student body what they asked for. We have, for the first time, our senior pictures in color, and there are many additional pages and features. We hope you enjoy this years HIGHLANDER. p. 142 1. Editor — Lisa Vitale 2. Ninereen hundred and eighty-two. For many of us it meant the end of our high school years, leaving friends, and facing new challenges. It's a year we will never forget. I would like to wish the best of everything to all of you. For the juniors and sophomores this year meant being one step closer to graduation. Make the best of your last years at East, they will never be the same again. The people are what makes a high school, and we've proved ours to be on top.

I hope you enjoy this year's HIGHLANDER and that it holds as many memories for you as it does for me. This staff has worked hard to put together a book that will help you remember this year of your life. I would like to thank the staff for everything they've done to make this book the best they knew how. A special thanks goes to Lisa Ray, Renée Burrell, Beth Cordray, and Teresa Hill for always giving me their love and support.

It's been a great year. Thanks goes to all of you for making it what it was, we're Eagles and we're proud!
